## BACKGROUND

I am a multidisciplinary designer. I have over 4 years of experience working across print and digital. I'm currently focused on Web UI design and brand identity design.

## EXPERIENCE

[SEEDINTERACTIVE](#) / GRAPHIC / WEB DESIGNER / JAN 2017 - PRESENT

My role at SEEDINTERACTIVE has me across all digital output of the agency, with my primary focus on web and graphic design. Working closely with UX/UI specialists and the development team.

[ROGERS COMMUNICATIONS \(SPORTSNET\)](#) / GRAPHIC & MOTION DESIGNER / SEP 2016 - JAN 2016

At Rogers SportsNet, I was responsible for delivering UI assets and Motions elements for live TV shows (Sportsnet Central and Tim & Sid)

[SUSTAINMOBILITY](#) / GRAPHIC DESIGNER / MAY 2016 - AUG 2016

As a designer at Sustainmobility I was responsible for developing brand identities, campaign look and feels, web design and ensuring very high standards across all output and designing a high volume of collateral.
